

**GREAT LAKES CHAPTER
VOLVO CLUB OF AMERICA
SEPTEMBER 16, 2014 MINUTES**

The Volvo Club met at Clara's at 6 PM on September 16, 2014. Present were Jim & Joyce Webb, Al Bulgrin & Gretta VanBree, David Irvine, Gary Cooper, John Mendler, Bill & Penny Bailey, and Bob Riggs. Other officers were not present due to illness.

Notes about the Gilmore event and future ideas put together by Bill Bailey and Nancy Northup were handed out. We all felt that the event went well but we could help ourselves better in the preparation stages.

David is going to call the Gilmore and check about reserving a date for August 13, 2016 for "Volvos at the Gilmore VI". David also mentioned he will be giving a presentation on "Car Museums" on a Sunday afternoon at 3 PM this winter at the Gilmore with a date yet to be determined. He will let us know.

Joyce gave a report on the Metro Cruise.

David mentioned a private owner collection of cars near Detroit might be an idea for the spring dust-off.

Penny reported that she has looked into getting a proper tax ID number. There is a possibility that we could piggy back off of the national Volvo club and she is currently awaiting a call-back from them.

Our next meeting will be November 18 at Clara's. There was talk of changing our meeting to the second Tuesday of the month in January.

Three T-shirts were sold at \$10.00 apiece. I believe we have 14 left with no medium or 2X sizes left.

Elections were discussed. Current officers have been contacted as to their wishes to stay in their position. Others who may wish to volunteer please make your desire known to us. We will discuss this more in November.

Respectfully submitted,
Joyce Webb in the absence of Daryl Tammen
