

GREAT LAKES CHAPTER, VCOA JUNE, 2017, NEWSLETTER

Dear Great Lakes Volvo Club:

Just a friendly reminder of two events coming up this weekend:

1. The Motor Muster in Greenfield Village.
<https://www.thehenryford.org/current-events/calendar/motor-muster/>
2. Activity going on with a chapter west of us (see below)
3. We are looking for a member to help us coordinate information on the web with social media to improve outreach and increase membership. If someone is interested in heading this up, please let me know. We are going to be having a membership drive soon as well, so this position will be important.
4. If any of you are going to any interesting car or other related events, we'd love to hear from you. Please e-mail me and we will see if we can coordinate small informal meets/social gathering at the events.
5. Finally, a reminder of our chapter meeting next month in Lansing—
