As you may recall, we told you last month that our January meeting would be, weather permitting, held on Monday, January 16, 2017 (Martin Luther King Day) at approximately 2:30 at Fishbones in Greektown, Detroit.

The thought is if anyone wishes to go to the North American International Auto Show, please e-mail me at [jirvine123@yahoo.com](mailto:jirvine123@yahoo.com) or text 616.915.1325. It would be helpful to know if you are coming to either so we can wait for you and have enough seats at the restaurant for the meeting. For the auto show, we plan to meet at 10:15 in front of the Joe Louis statue and go to the show as a group to the Volvo display, then mosey around for a few hours. Afterwards, we will have our meeting. The agenda is attached.

We have also discussed membership and getting more people involved. Do you know someone who enjoys cars and Volvos? Why not invite them to join, or even offer to pay their first year's membership to get them active as a "pay it forward" act? Promote our club on your favorite social media site. We love to greet new members!

Please note that we overlooked holding our elections of officers in November. If you are interested in getting active, please read the agenda and e-mail Nancy Northup

[nannorthup@aol.com](mailto:nannorthup@aol.com) if you are interested in participating in any of the officer positions (President, Secretary, Treasurer, at large). by Monday, January 16, 2017.

The bulk of our meeting will consist of planning for our spring dust-off the first full weekend of May, with visits to Sesi Motors in Ann Arbor on Friday, May 5, and to a TBD location the following day in Toledo, Ohio.

We hope to see you next week!

David Irvine, President  
Great Lakes Chapter  
Volvo Club of America
